Code of Practice

At a meeting of the Full Governing Body held on 16th April 2013 the principles and procedures embodied within this Code of Practice were formally adopted

Code of Practice

General

- we have corporate responsibility for determining, monitoring and keeping under review the strategic policies, plans and procedures within which the school operates;
- we recognise that the headteacher is responsible for the implementation of policy, day-to-day management of the school and the implementation of the curriculum;
- we accept that all governors have equal status, and although appointed by different groups (e.g. parents, staff, LEA) our overriding concern will be the welfare of the school as a whole;
- we have no legal authority to act individually, except when the governing body has given us delegated authority to do so;
- we have a duty to act fairly and without prejudice, and in so far as we have responsibility for the employment of staff, we will fulfil all that is reasonably expected of a good employer;
- we will encourage open government and should be seen to be doing so;
- we will consider carefully how our decisions may affect other schools and the community served by our school
