News from the Classes

On Monday, we had the pleasure of a visit from Mr Maltby and a small orchestra from Caedmon College Whitby. It was very inspirational with students from the College showing us all what you can do if you learn to play an instrument. There was a real mix of music and it was great to hear them play.

On Tuesday afternoon, **KS1** had a splendid time! Olivia and Josh were part of our Wedding Service as the Bride and Groom and we had two Vicars (because of all the words) Oscar Taylor-Forbes and Alfie. Everyone had a part to play and were suitably dressed. Thank you to Edie's grandma who made the Wedding cake and thanks to all the parents and grandparents who attended, dressed for the occasion. We had a splendid feast afterwards and a good dancing session.

KS2: It seemed strange not to have our year 6 in but we hope that they have found the time in their new schools, this week, useful and that it helps them to know what it will be like in September.

We also had a taster for the year 2s to find out what it was like to be the new year 3s. It was good to see that nobody appeared too worried by the changes.

KS2 has been busy completing their work for the Art Show and Danby Show. The work is looking great and we look forward to showing it to you all on Thursday.
