News from the Classes

What a busy term **KS1** have had! It has been crammed full of “Chocolate Man,” “Chocolate Painting,” “Captain Cook” and a visit to the Museum at Whitby. Also, outdoor learning days with snowmen, snowdrops and daffodils. The Easter Story with Ashy foreheads and Palm crosses and to top it off – live chicks hatching out in the classroom!!

On Tuesday afternoon we were joined by Effie, Pearl, Betsy and Millie who will be starting school next school year.

Today, we have visited Glaisdale School to spend the day with Mrs Barber and Class 1 in their newly developed outdoor learning area. We have been doing team building and team challenge games, den building and trust games, marshmallow roasting and bread baking all topped off with an Easter Egg Hunt. Just as well we will all get to have a little rest over the Easter break.

KS2: To round off the chocolate topic (which everyone has enjoyed) we just had to have a “Choctastic” end of term treat. Of course loads of Science (melting), DT (safety and hygiene), food technology (eating!) was involved! We also had a Fairtrade Chocolate Tuck Shop at the end of school today.

Wednesday afternoon was a lovely day for playing netball at Goathland School. We played both Goathland and St Hedda’s but, unfortunately, we didn’t win either match. However, we played extremely well and were not down hearted as getting cuddles from Mrs Thompson made up for it! Thank you to Mrs Medcalf and Mrs Todd for taking the children.

Just a reminder that all money for the Years 5 & 6 Peat Rigg Residential needs to be paid by the end of April. Please speak to Mrs Blacklock if you are not sure what you owe.

Have an excellent Easter break, ready to come back “all guns blazing!”

Week beginning Monday, 13th April

Monday	Staff training
Tuesday	Children return Year 6 Booster Class Sewing Club
Wednesday	KS2 Islam Workshop, 1.30pm Netball Club
