News from the Classes

In **KS1** we heard lots of stories about sledging and fun in the snow after school was closed on Wednesday because of it!

We are learning about a famous person (Captain Cook) who went to snowy places and wore animal skins to keep warm. We also found out about the healthy food he gave the crew.

KS2 have been very patient this week as they have been doing assessments. They are really useful for Mrs Grace to find out where they are and what areas need covering in their learning. She has been very impressed with their attitudes and concentration this week. Well done everybody!

Mrs Wilson's **Sewing/Patchwork Club** on a Tuesday after school is going very well with most of the girls now using a sewing machine for at least some part of the session. Many of the girls now have their own which they are bringing in and, with the school's machines, it means that all of them are able to work on one. Mrs Wilson is now devising or adapting sewing projects so that they can complete them on the machines.

Mrs Wilson says that if the sewing girls would like to bring some pocket money on Tuesday, she will have some fabric scraps with her. This will give them fabric to use over the half term holiday.

Snow!!

Thank you for your patience on Wednesday regarding our decision to close the school. Our aim is to close by 8am - and we will always try to do this if possible. However, this was very difficult to organise on Wednesday for a number of reasons. I am sorry for the inconvenience this may have caused.

In similar circumstances, can we please ask parents to assume breakfast club is not on, even if we manage to keep the school open. Thank you, Mrs Douglass.

Information from School Nurses

Please see poster in Notice Board from the school nurses regarding a Continence Clinic for Day Time Wetting, Night Time Wetting and Soiling. Philippa McAuley can be contacted on 01947 824245 (children aged 7+) and Kate Rosher on 01947 824221 (children aged 5 to 7).
