"Tour de Yorkshire", Friday, 1st May

Many thanks to everyone who helped to make last Friday such a lovely, successful day, in particular to Polly and the PTFA for all the organisation and donations of prizes and scones etc. The total amount raised was a fantastic £278.20.

News from the Classes

KS1 have started learning about seaside holidays in the past and have looked at old photographs of bathing machines and we are making Punch and Judy puppets. In school we had an election, it was very exciting!

KS2 have continued the work on Pyramids and really thought about what we need to put into our writing to improve it. We are still amazed at how such ancient people were able to use nets (folded out shapes) to create such incredible structures.

In RE, KS2 thought about values and 3 children made a manifesto based on their values. Daniel's concerns for our future world won the day and he was voted our Prime Minister and gave a thank you speech to his supporters. Well done!

The Castleton General Election was held yesterday! Manifestos were presented, speeches made and delivered and voting done by secret ballot. The Prime Minister for Castleton will come from the Golden Flake Party, whose winning idea was the cooking classes and football (winning many votes!)

Next Week - Year 6 SATs

Tuesday	Sewing Club
	Governing Body meeting at Glaisdale, 6pm
Wednesday	Netball Club
Friday	Football Club
